

AI does the paperwork. People make the hire.

Staffkin is a hiring and onboarding kit for small Canadian employers. The brand should feel steady, warm and plain-spoken: a tool a restaurant owner trusts on a busy Tuesday.

Two linked rings: two people, one team. The wordmark is always lowercase **staffkin**. Keep clear space around the logo equal to the height of one ring. Smallest size: 24 px tall on screen, 8 mm in print. Use the mark alone for app icons and profile pictures.
