Broadwater Inn & Cottages

Hi everyone at Broadwater Inn & Cottages,

I'm Vatsal, from Kentville. I made Keegix: a welcome book your guests open on their phone, with check-in steps, wifi, parking, house rules and the checkout list, behind one QR sign by the door. No app for guests to download.

The yellow key card with this letter opens a sample cottage. Point your phone camera at it the way a guest would.

I'm looking for a few Nova Scotia places to be founding hosts: **Pro free until the end of 2027**, no card and no call. If you'd rather not set it up yourself, send me what you already give guests and I'll build it for you.

Thanks for reading,
Vatsal Thakkar
